

## **FIRST PRESBYTERIAN PRESCHOOL** **ENROLLMENT PROCESS**

*Children will be enrolled on a first come first served basis. Children who have attended the three year-old sessions will have first choice for the 4 year-old sessions. Students new to the program will be placed according to availability and boy/girl ratio. We strive to have an even balance in each class. Requests for preference of morning or afternoon session, and specific teacher will be taken into consideration, however we reserve the right for final placement of a child. We try to meet the needs of every family, however class size is limited. If classes are full, we will place your child's name on a wait list, and students will be placed in accordance with when they pre-enrolled.*

*For your convenience you may print the pre-enrollment form off of this web site, and mail it to us, or you may call our office and we will send you a complete enrollment packet. We will be happy to place your child's name on a wait list or pre-enroll your child in a future class.*
